With reference to this recent market activity, please respond to the following questions:

1. Is the Company aware of any information concerning the Company’s activities or operations that has not been disclosed to the market, which, if known, could be an explanation for recent trading in the securities of the Company?
2. If the answer to 1 is yes, can an announcement be made immediately by the Company? If not, why not and when is it expected that an announcement will be made?
3. Is there any other explanation the Company may have for the recent trading activity in its securities?
4. Please confirm that the Company is in compliance with the NSX Listing Rules and, in particular, Listing Rule 6.4.
