This Explanatory Memorandum is to provide Members with sufficient information to assess the merits of the resolutions and business to be conducted at the 2024 Annual General Meeting. You should read the Notice and the Explanatory Memorandum in their entirety and in conjunction with each other before making any decisions in relation to the items of business.

Members are encouraged to submit any questions in relation to each item of business in advance of the AGM by completing and returning the enclosed AGM Question sheet.

Item 1 Financial Report, Directors' Report and Auditors Report

The Corporations Act requires the Financial Report, (which includes the Directors' Declaration), Directors' Report and Auditor's Report (**Reports**) to be received and considered at the AGM.

Neither the Corporations Act or the Constitution requires members to vote on such Reports. Members will be given a reasonable opportunity to ask questions in relation to these Reports at the AGM.

Members will also be given an opportunity to ask a representative of the Company's Auditor questions relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the Auditor in relation to the conduct of the audit.

Item 2 Adoption of the Remuneration Report

The Corporations Act requires the Company to put to a vote a resolution that the Remuneration Report be adopted. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 30 June 2024.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

Members should be aware that any undirected proxies given to the Chairman will be cast by the Chairman and counted in favour of the resolutions of this Meeting, including this Item 2, subject to compliance with the Corporations Act. By signing and returning the proxy form a Member appointing the Chairman as their proxy with no voting direction is expressly authorising the Chairman to vote the proxy in favour of adopting the Remuneration Report the subject of Item 2.

The Directors note that each Director has a personal interest in their own remuneration and therefore they do not consider it is appropriate to make a voting recommendation in relation to Item 2.

The Chairman of the Meeting intends to vote all available undirected proxies in favour of the adoption of the Remuneration Report.

SPECIAL RESOLUTIONS

Item 8 Issue of Shares to Dr Ron Tan Eng Lee

On 1 March 2024, Dr Ron Tan Eng Lee entered into an engagement letter as amended on 2 March 2024 with the Company (**Engagement Letter**) pursuant to which Mr Lee was appointed as Chief Scientific Officer of the Company. In accordance with the terms of the Engagement Letter the Company to issue S\$84,000 worth of ordinary shares in the Company based on a 10-day Weighted Average Price (VWAP) trading price and subject to obtaining any necessary shareholder and regulatory approvals for the issue.

Mr Ron Tan Eng Lee is a related party of the Company by virtue of being a senior executive of the Company. As such a Special Resolution is required to be passed by shareholders to approve the issue and allotment of shares to Mr Lee.

A Special Resolution is defined under section 9 of the Corporations Act as one that is passed where at least 75% of the shareholders voting vote in favour of the resolution.

Under this Resolution, the Company is seeking Shareholder approval to issue and allot up to 252,444 ordinary shares to Mr Ron Tan Eng Lee in accordance with the terms of the Engagement Letter.

Item 9 Approval of Additional Placement Capacity

General

Rule 6.26(1) of section IIC of the NSX Listing Rules, in conjunction with Article 41 (C) of the Constitution, permit the Directors to issue Shares without shareholder approval if the Shares are issued within the Company's 15% annual placement capacity (**15% Placement Capacity**).

The Directors are of the view that the Company will require further general working capital over the next 12-month period. The Directors propose to raise such capital by issuing additional Shares progressively over the next 12-month period.

Approval Under Listing Rules, Corporations Act and Constitution

Rule 6.26(1) of section IIC of the NSX Listing Rules, in conjunction with Article 41 (C) of the Constitution, permit the Directors to issue Shares exceeding the 15% Placement Capacity if shareholder approval is obtained.

The Directors are seeking an additional placement capacity to permit up to 24,450,525 Shares to be issued progressively over the 12-month period after this AGM without obtaining specific shareholder approval (**Additional Placement Capacity**).

A maximum of 24,450,525 Shares would be issued at a minimum price of \$0.38 per Share. The Shares would be issued under section 708 of the Corporations Act without Chapter 6D disclosure.

The Shares would be issued on the same terms as, and rank equally with, all pre-existing Shares on issue. All Shares are intended to be quoted on the NSX.

None of the Shares would be issued to a related party within the meaning of the Corporations Act without further specific shareholder approval being obtained.

Shareholder Considerations

If the Shares are issued within the Additional Placement Capacity, Shareholders are at risk of economic and voting dilution. In particular, there is a risk that the Shares may be issued at a price that is at a discount to the market price for those Shares on the issue date. The following table illustrates the potential for dilution of Shareholders if Shares are issued within Additional Placement Capacity:

	If none of the additional placement capacity is used	If 50% of the additional placement capacity is used	If 100% of the additional placement capacity is used
Total number of Shares quoted on the NSX if Item 5 is passed.	163,003,500	12,225,263	24,450,525
Total funds raised if the issue price is the current market value, being \$0.38.	\$0	\$4,645,600	\$9,291,200
Total funds raised if the issue price is the current market value, being \$0.43.	\$0	\$5,256,863	\$10,513,726
Total funds raised if the issue price is \$0.86.	\$0	\$10,513,726	\$21,027,452
Percentage interest of a non-participating Shareholder holding 100,000 Shares	0.0061%	0.057%	0.053%
Percentage interest of a non-participating Shareholder holding 500,000 Shares	0.307%	0.285%	0.267%
Percentage interest of a non-participating Shareholder holding 1,000,000 Shares	0.613%	0.571%	0.533%

Shareholders should note, however, that the market price for Shares may be significantly lower on the issue date than on the date of this Meeting. Furthermore, the Directors may decide not to issue Shares within the Additional Placement Capacity.

By arrangement with the NSX, if the Resolution in Item 5 is passed, the Company will make announcements to the market as soon as practicable after 50%, 75% and 100% of the Additional Placement Capacity has been used. These announcements will be in addition to the usual NSX Quotation of Additional Securities announcements.

The Directors unanimously recommend that the Members vote in favour of Item 5.
