Late Lodgement of Annual Report on NSX

The Directors of VIP Gloves Limited (VIP or the Company) advise that the Company will not be in a position to lodge with the NSX the Company's Statutory Financial Report for the year ended 30 June 2025 (the Statutory Report) by close of business this evening. Accordingly, the Company acknowledge that the Company's securities will be subject to halt/suspension of trading in the Company's until such time as it completes and lodges the Statutory Report.

The Directors apologise for the delay in completing the Statutory Report within the required timeframe. The delay has largely been as a result of logistical issues associated with the completion of the (Malaysian) audit of the group's subsidiary company accounts together with the completion of documentation required by the Company's parent company (Australian) auditor.

VIP anticipates completion and lodgement of the Statutory Report within two weeks.
