A shareholder who is entitled to attend and vote at the annual general meeting may appoint up to two proxies to attend and vote on his or her behalf. If a shareholder appoints two proxies, the appointment of the proxies may specify the proportion or the number of that shareholder's votes that each proxy may exercise.

If the appointment does not so specify, each proxy may exercise half of the votes. Fractions of the votes will be disregarded. A proxy needs not be a shareholder of the Company.

A proxy may decide whether to vote on any motion, except where the proxy is required by law or the constitution to vote, or abstain from voting, in their capacity as proxy. If a proxy is directed how to vote on an item of business, the proxy may vote on that item only in accordance with the direction. If a proxy is not directed how to vote on an item of business, the proxy may vote as he or she thinks fit.

If a shareholder appoints the chairperson of the meeting as the shareholder's proxy and does not specify how the chairperson is to vote on an item of business, the chairperson will vote, as proxy for that shareholder, in favor of that item on a poll.
