### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

### 2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

### 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were more than 25%. Accordingly, the Spill Resolution will be relevant for this Meeting if at least 25% of the votes cast on this Resolution are voted against adoption of the Remuneration Report. Refer to Resolution 2 and Section 3 below for further information.

### 3. RESOLUTION 2 – SPILL RESOLUTION

<u>If less than 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report, the Chair will withdraw Resolution 2.</u>

### 3.1 General

The Corporations Act requirements for this Resolution to be put to vote are set out in Section 2.2.

The effect of this Resolution being passed is the Company will be required to hold another meeting of Shareholders within 90 days of the date of this Meeting (**Spill Meeting**) and the Vacating Directors will cease to hold office immediately before the end of the Spill Meeting. The business of the Spill Meeting will be to put to vote resolutions to appoint persons to offices vacated by the Vacating Directors.

In the event a Spill Meeting is required a separate notice of meeting will be distributed to Shareholders with details about those persons who will seek election as directors of the Company at the Spill Meeting.

### 3.2 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the voting restrictions applying to Resolution 1 apply in the same manner to this Resolution.

### 6. RESOLUTION 5 - REPLACEMENT OF CONSTITUTION

### 6.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of shareholders.

This Resolution is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and the NSX Listing Rules. This Resolution will also enable the Company to insert the proportional takeover provisions into the Proposed Constitution in the form of clause 37. The new clause 37 is in the same form as the existing clause 37 of the Company's existing Constitution (as set out in Schedule 1 of this Notice).

A summary of the proposed material changes is set out in Section 6.2 below, however the Company notes that this is a standard replacement of the Constitution mostly in the same form as the previous Constitution and now compliant with the NSX Listing Rules.

A copy of the Proposed Constitution is available for review by Shareholders at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 8 9388 8290). Shareholders are invited to contact the Company if they have any queries or concerns.

### 6.2 Summary of material proposed changes

Employee incentive securities plan (Clause 2.4)	Under the new Division 1A of Part 7.12 of the Corporations Act, which came into effect on 1 October 2022, offers under an employee incentive plan that do not require a monetary payment (e.g., zero exercise price options or performance rights) can be issued without an issue cap. However, offers requiring a monetary payment (whether upon grant or upon exercise/vesting of the awards and issue of the underlying shares) must be accompanied by an 'ESS offer document' and must comply with an issue cap. The cap is set at 5% under the Corporations Act unless raised by a company's constitution. A company may include a higher issue cap in its constitution to allow for more than 5% of securities to be issued under the plan.
Joint holders (Clause 9.8)	The ASX is considering replacement options for its Clearing House Electronic Subregister System (CHESS). Due to complexities with the solution design, there is no current go-live date. The NSX utilises CHESS. To ensure compliance with any replacement CHESS system, clause 9.8 of the Proposed Constitution provides that the number of registered joint holders of securities shall be as permitted under the Listing Rules and the ASX Settlement Operating Rules.
Closing date for Director nominations (Clause 15.3)	The closing date period under clause 15.3 of the Proposed Constitution has been amended to at least 30 days (previously it was 30 Business Days) to allow the Company time to issue the required notification for director nominations prior to circulating the notice of meeting.

### 6.3 Insertion of partial (proportional) takeover provisions

Overview	A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.
	Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.
	In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.
	A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e., by special resolution of shareholders).
	This Resolution will enable the Company to insert the proportional takeover provisions into the Proposed Constitution in the form of clause 37.
Effect of proposed proportional takeover provisions	Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.

## Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle and assist in ensuring that any partial bid is appropriately priced.

### Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

### Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

### Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.

### 7. RESOLUTION 6 – APPROVAL OF EMPLOYEE INCENTIVE SECURITIES PLAN

### 7.1 General

This Resolution seeks Shareholder approval for the purposes of NSX Listing Rule 6.25(2)(iv) to adopt an employee incentive scheme titled "Employee Incentive Securities Plan" (**Plan**).

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services (**Eligible Persons**) to the Company, and the Company

considers that the adoption of the Plan and the future issue of Securities under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

Shareholder approval of the Plan is being sought to enable the Company to issue Securities to eligible persons of the Company, without the Securities being included in the Company's 15% limit for the purposes of NSX Listing Rule 6.25.

### 7.2 NSX Listing Rule 6.25

NSX Listing Rule 6.25 allows an entity to issue (or agree to issue) equity securities up to 15% of the Company's ordinary securities on issue in any 12-month period without the approval of the Shareholders of the Company. If the Company wishes to issue equity securities above its 15% capacity, the Company must obtain shareholder approval at a general meeting prior to the issue, unless an exception applies.

NSX Listing Rule 6.25(2)(iv) provides an exception to Listing Rule 6.25 in that NSX Listing Rule 6.25 does not apply to an issue of securities under an employee incentive scheme if shareholders have approved the issue of equity securities under the scheme.

The exception in Listing Rule 6.25(2)(iv) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

### 7.3 Technical information required by Listing Rule 6.25(2)(iv)

Pursuant to and in accordance with Listing Rule 6.25(2)(iv), the following information is provided in relation to this Resolution:

- (a) a summary of the terms of the Plan is set out in Schedule 2;
- (b) the Company has not issued any securities under the Plan since the Company was admitted to the Official List of NSX and this is the first time that Shareholder approval is being sought for the adoption of the Plan since the Company's admission;
- (c) the Company first obtained shareholder approval for the issue of securities under the Plan at its annual general meeting held on 28 November 2023 and since that approval the Company has issued the following securities under the Plan:
  - (i) an aggregate of 27,030,000 Class F Performance Rights to current and previous Directors; and
  - (ii) an aggregate of 18,020,000 Class G Performance Rights to current and previous Directors,

which occurred on 20 December 2023 while the Company was listed on the Official List of the ASX;

- (d) a voting exclusion statement applies to this Resolution; and
- (e) a voting prohibition statement applies to this Resolution.

### SCHEDULE 2 - TERMS AND CONDITIONS OF THE PLAN

Ell III B. III I						
Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.					
Purpose	The purpose of the Plan is to:					
	(a) assist in the reward, retention and motivation of Eligible Participants;					
	(b) link the reward of Eligible Participants to Shareholder value creation; and					
	(c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Share, Option or Performance Right (Securities).					
Maximum number of Convertible Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage).					
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.					
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participal in the Plan and make an invitation to that Eligible Participant to apply for any (or a combination of) the Securities provided under the Plan on such terms and conditions the Board decides.					
	On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.					
	If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.					
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.					
Rights attaching to Convertible Securities	A <b>Convertible Security</b> represents a right to acquire one or more Plan Shares in accordance with the Plan (for example, an Option or a Performance Right).					
	Prior to a Convertible Security being exercised, the holder:					
	(a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the Plan;					
	(b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company;					
	(c) is not entitled to receive any dividends declared by the Company; and					
	(d) is not entitled to participate in any new issue of Shares (see 'Participation in entitlements and bonus issues' section below).					
Restrictions on dealing with Convertible Securities	Convertible Securities issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Convertible Securities may be exercisable on terms determined by the Board.					
	A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.					
Vesting of Convertible Securities	Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice					

	is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible					
	Security are not satisfied and/or otherwise waived by the Board, that security will lapse.					
Forfeiture of Convertible Securities	Convertible Securities will be forfeited in the following circumstances:					
occomine)	(a) in the case of unvested Convertible Securities only, where a Participant acts fraudulently, dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group and the Board exercises its discretion to deem some or all of the Convertible Securities held by a Participant to have been forfeited;					
	(b) where there is a failure to satisfy the vesting conditions in accordance with the Plan;					
	(c) on the date the Participant becomes insolvent; or					
	(d) on the expiry date,					
	subject to the discretion of the Board.					
Listing of Convertible Securities	Convertible Securities granted under the Plan will not be quoted on the ASX, the NSX or any other Recognised Exchange. The Board reserves the right in its absolute discretion to apply for quotation of Convertible Securities granted under the Plan on the ASX, the NSX or any other Recognised Exchange.					
	<b>Recognised Exchange</b> means any internationally recognised securities exchange including, without limitation, the ASX and the NSX, on which the Shares (or other securities of the Company) may from time to time be admitted to trading, quoted or otherwise listed.					
Exercise of Convertible Securities and cashless exercise	To exercise a security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.					
	An invitation to apply for Convertible Securities may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.					
	<b>Market Value</b> means, at any given date, the volume weighted average price per Share traded on the Recognised Exchange over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.					
	Convertible Securities may not be exercised unless and until that security has vested accordance with the Plan rules, or such earlier date as set out in the Plan rules.					
Timing of issue of Shares and quotation of Shares on exercise						
Restriction periods and restrictions on transfer of Shares on exercise	If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.					
	Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions:					
	(a) if the Company is required but is unable to give the Recognised Exchange a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act;					
	(b) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and					
	(c) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy.					
Rights attaching to Shares on exercise	All Shares issued upon exercise of Convertible Securities will rank equally in all respects with the then Shares of the Company.					

Change of control	If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), the Board may in its discretion determine the manner in which any or all of the holder's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the holder to participate in and/or benefit from any transaction arising from or in connection with the change of control event. The Board may specify in the Invitation how the Convertible Securities will be treated on a change of control event occurring, or the Board determining that such event is likely to occur, which may vary depending upon circumstances in which the Participant becomes a leaver and preserve some or all of the Board's discretion under this rule.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.
Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
Buy-Back	Subject to applicable law, the Company may at any time buy-back Securities in accordance with the terms of the Plan.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Amendment of Plan	Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.  No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of
	complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
Plan duration	The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.
	If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
Withholding	If the Company, a trustee or the Plan administrator is obliged, or reasonably believes that it may have an obligation to account for any tax, or any superannuation amounts (or equivalent social security contributions, if applicable) in respect of a Participant (Withholding Amount), then the Company, trustee or Plan administrator (as applicable) is entitled to withhold or be reimbursed by the Participant for the Withholding Amount payable or paid.
