This Explanatory Memorandum is to provide Members with sufficient information to assess the merits of the resolutions and business to be conducted at the 2025 Annual General Meeting. You should read the Notice and the Explanatory Memorandum in their entirety and in conjunction with each other before making any decisions in relation to the items of business.

Members are encouraged to submit any questions in relation to each item of business in advance of the AGM by completing and returning the enclosed AGM Question sheet.

### Item 1 Financial Report, Directors' Report and Auditors Report

The Corporations Act requires the Financial Report, (which includes the Directors' Declaration), Directors' Report and Auditor's Report (**Reports**) to be received and considered at the AGM.

Neither the Corporations Act or the Constitution requires members to vote on such Reports. Members will be given a reasonable opportunity to ask questions in relation to these Reports at the AGM.

Members will also be given an opportunity to ask a representative of the Company's Auditor questions relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the Auditor in relation to the conduct of the audit.

### Item 2 Adoption of the Remuneration Report

The Corporations Act requires the Company to put to a vote a resolution that the Remuneration Report be adopted. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 30 June 2025.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

- by a proxy appointed by a person who is a member of the KMP at the date of the AGM or their closely related parties.

The Company need not disregard a vote cast by a person if:

- (b) the Chairman is appointed in writing by a Member who is entitled to vote as a proxy with no specific instructions on how to vote on a resolution to adopt the Remuneration Report, where the Member provides express authorisation for the Chairman to do so.

Members should be aware that any undirected proxies given to the Chairman will be cast by the Chairman and counted in favour of the resolutions of this Meeting, including this Item 2, subject to compliance with the Corporations Act. By signing and returning the proxy form a Member appointing the Chairman as their proxy with no voting direction is expressly authorising the Chairman to vote the proxy in favour of adopting the Remuneration Report the subject of Item 2.

The Directors note that each Director has a personal interest in their own remuneration and therefore they do not consider it is appropriate to make a voting recommendation in relation to Item 2.

**The Chairman of the Meeting intends to vote all available undirected proxies in favour of the adoption of the Remuneration Report.**

## **SPECIAL RESOLUTIONS**

### **Item 11 Ratification of Convertible Loan Agreement**

Director Dr KM Lim ("Lender"), at the Company's request, has agreed to grant the Company a convertible loan to fund its operations, including provide working capital for the Company of the Principal Sum of \$500,000.

The Principal Sum is to be disbursed as a first Draw Down from 1 December 2025 into an Australian bank account. Interest on the Principal Sum is calculated at 2% per annum simple.

Maturity Date for repayment for each Draw Down is one calendar year from the date each draw down. At any time prior to the Maturity Date, the Lender may convert the Draw Down of the Principal Sum and Accrued Interest (as at the date of the Conversion Notice) into fully paid Ordinary Shares of the Company at a price of 19 cents per share. Conversion is only on the Draw Down and Interest Accrued.

Item 11 seeks the approval of Shareholders to ratify the issue of up to 2,684,211 should the Lender issue to the Company a Conversion Notice in the period 1 December 2025 to 30 November 2026.

Under NSX Listing Rule 6.25 (1) limits the amount of equity securities that a listed company can (subject to a number of exceptions) issue without the approval of shareholders over any 12 month period to 15% of the fully paid ordinary securities it has on issue at the start of that 12 month period.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval under Listing Rule 6.25. To do this the Company asks the shareholders to ratify the issue of up to 2,684,211 shares should the Lender issue to the Company a Conversion Notice in the 12 month period to 30 November 2026.

If Item 11 is passed, shares issued and allotted pursuant to the Conversion Notice will be excluded in calculating and so effectively increase the Company's 15% capacity to issue equity securities without shareholder approval over the 12 month period.

If Item 11 is not passed, shares issued and allotted pursuant to the Conversion Notice will be included in the Company's capacity to issue equity securities without shareholder approval for the 12 month period to 30 November 2026.

**The Directors recommend (with Dr Kim abstaining) that the Shareholders vote in favour of Item 11.**

### **Item 12 Approval of Additional Placement Capacity**

#### **General**

Rule 6.26(1) of section IIC of the NSX Listing Rules, in conjunction with Article 41 (C) of the Constitution, permit the Directors to issue Shares without shareholder approval if the Shares are issued within the Company's 15% annual placement capacity (**15% Placement Capacity**).

The Directors are of the view that the Company will require further general working capital over the next 12-month period. The Directors propose to raise such capital by issuing additional Shares progressively over the next 12-month period.

#### **Approval Under Listing Rules, Corporations Act and Constitution**

Rule 6.26(1) of section IIC of the NSX Listing Rules, in conjunction with Article 41 (C) of the Constitution, permit the Directors to issue Shares exceeding the 15% Placement Capacity if shareholder approval is obtained.

The Directors are seeking an additional placement capacity to permit up to 24,450,525 Shares to be issued progressively over the 12-month period after this AGM without obtaining specific shareholder approval (**Additional Placement Capacity**).

A maximum of 24,450,525 Shares would be issued at a minimum price of \$0.38 per Share. The Shares would be issued under section 708 of the Corporations Act without Chapter 6D disclosure.

The Shares would be issued on the same terms as, and rank equally with, all pre-existing Shares on issue. All Shares are intended to be quoted on the NSX.

None of the Shares would be issued to a related party within the meaning of the Corporations Act without further specific shareholder approval being obtained.

## Shareholder Considerations

If the Shares are issued within the Additional Placement Capacity, Shareholders are at risk of economic and voting dilution. In particular, there is a risk that the Shares may be issued at a price that is at a discount to the market price for those Shares on the issue date. The following table illustrates the potential for dilution of Shareholders if Shares are issued within Additional Placement Capacity:

	<b>If none of the additional placement capacity is used</b>	<b>If 50% of the additional placement capacity is used</b>	<b>If 100% of the additional placement capacity is used</b>
<b>Total number of Shares quoted on the NSX if Item 5 is passed.</b>	163,003,500	12,225,263	24,450,525
<b>Total funds raised if the issue price is the current market value, being \$0.38.</b>	\$0	\$4,645,600	\$9,291,200
<b>Total funds raised if the issue price is the current market value, being \$0.43.</b>	\$0	\$5,256,863	\$10,513,726
<b>Total funds raised if the issue price is \$0.86.</b>	\$0	\$10,513,726	\$21,027,452
<b>Percentage interest of a non-participating Shareholder holding 100,000 Shares</b>	0.0061%	0.057%	0.053%
<b>Percentage interest of a non-participating Shareholder holding 500,000 Shares</b>	0.307%	0.285%	0.267%
<b>Percentage interest of a non-participating Shareholder holding 1,000,000 Shares</b>	0.613%	0.571%	0.533%

Shareholders should note, however, that the market price for Shares may be significantly lower on the issue date than on the date of this Meeting. Furthermore, the Directors may decide not to issue Shares within the Additional Placement Capacity.

By arrangement with the NSX, if the Resolution in Item 5 is passed, the Company will make announcements to the market as soon as practicable after 50%, 75% and 100% of the Additional Placement Capacity has been used. These announcements will be in addition to the usual NSX Quotation of Additional Securities announcements.

**The Directors unanimously recommend that the Shareholders vote in favour of Item 12.**
