NSX Announcement

Redemption of Redeemable Convertible Preference Shares in WOBB Sdn Bhd (Hiredly Investment)

Actcelerate International Group Ltd (NSX: ACT) (“AIG” or “the Company”) wishes to announce that the redeemable convertible preference shares (“RCPS”) held in WOBB Sdn Bhd (“WOBB”) have been fully redeemed on 1 February 2026 in accordance with the terms of the funding agreement announced on 26 July 2019.

AIG had invested USD 100,000 in WOBB as part of a funding round completed in 2019.

Pursuant to the redemption, AIG is entitled to receive a total redemption amount of AUD 87,789 (MYR 240,852). Following the redemption, AIG no longer holds any equity interest in WOBB.

The financial impact of the redemption will be reflected in the Company’s financial statements for the financial year ending 31 December 2026, including any foreign exchange gain or loss arising from the settlement.

The Board thanks WOBB for the collaboration over the past years and wishes the management team continued success in its future endeavours.
