### Executive Chairman's Letter For the Half Year Ended 31 December 2025

The Company recorded a net loss after tax of \$31,444 (31 December 2024 net loss after tax: \$114,058). The Company has a negative working capital position of \$157,000 (30 June 2025 negative working capital: \$112,509).

#### 2025 Commentary

- The application of AI allowed us to identify numerous opportunities to simplify our software to enable easier adoption and integration for potential users, as a result much of the user interface had to be completely rewritten.
- Significant improvements in the user interface resulted in a user experience that is on par or better than most of our current competitors and numerous additional features will create significant productivity improvements.
- The reduction in the loss reflects lower staff numbers currently finalising the development of new screens and tables as part of the launch of the new version "BuildITQMS" which will be released to market in FY27.
- Rainrose Pty Ltd, an entity controlled by me, has confirmed it will continue to support the Company and advance further funds during the next 12 months if required and has provided a letter of support to SenterpriSys Limited.

#### 2026 Outlook

- The focus now is on finalising the new project version "BuildITQMS" to launch to market in FY27.
- Linking QANOTIX quality assurance registers to the Project DeRisk project management software.
- Replacing current accounting functions with QuickBooks integration as part of the new "BuildITQMS" version.
- The onboarding of three new customers, combined with strong sales from existing customers, indicates the business is approaching profitability.

## **Notes to the Financial Statements**

### **For the Half Year Ended 31 December 2025**

#### **1 Summary of Significant Accounting Policies**

##### **(a) Basis of Preparation**

This condensed interim financial report for the half year reporting period ending 31 December 2025 has been prepared in accordance with the requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: Interim Financial Reporting.

The interim financial report is intended to provide users with an update on the latest annual financial statements of SenterpriSys Limited ("SenterpriSys", "Company" or "Group"). As such it does not contain information that represents relatively insignificant changes occurring during the half year within the Group. This condensed financial report does not include all the notes normally included in an annual financial report. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2025, together with any public announcements made during the half year.

##### **Accounting Policies**

Unless otherwise stated, the same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements.

##### **(b) New or amended Accounting Standards and Interpretations adopted**

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

##### **(c) Going concern**

The financial statements have been prepared on a going concern basis, which assumes the continuity of normal business activities, the realisation of assets and the settlement of liabilities in the ordinary course of business. For the half year ended 31 December 2025 the Group incurred a net loss of \$31,444 (31 December 2024 loss \$114,058). As at 31 December 2025 the Group had net tangible liabilities of \$259,430 (30 June 2025: net tangible liabilities of \$107,569) and current liabilities exceeded current assets by \$157,000 (30 June 2025: \$112,509)

These factors indicate a material uncertainty exists which may cast significant doubt as to whether the Group will continue as a going concern and therefore whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

Rainrose Pty Ltd has confirmed it will continue to support the Group and advance further funds in 2026 if required and has provided a letter of support to the Group.

Accordingly, management believe that the Group will be able to pay its debts as and when they fall due for a period of at least 12 months from the date of the financial statements. As a consequence of the above, the directors believe that notwithstanding the results for the year, the Group will be able to continue as a going concern and therefore, these financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts, or to the amounts and classification of liabilities that might be necessary should the Group not continue as a going concern.

# Independent Auditor's Review Report to the Members of SenterpriSys Limited

## Report on the Review of the Half-Year Financial Report

### Qualified Conclusion

We have reviewed the half-year financial report of SenterpriSys Limited, which comprises the consolidated statement of financial position as at 31 December 2025, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, except for the possible effects of the matter described in the Basis for Qualified Conclusion Conclusion paragraph, nothing has come to our attention that causes us to believe that the accompanying half-year financial report of SenterpriSys Limited (the company), and its subsidiaries (the Group), is not prepared, in all material respects, in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2025 and of its performance for the half-year ended on that date; and
- (b) complying with Australian Accounting Standards AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

### Basis for Qualified Conclusion

Included in *Intangible Assets* in the statement of financial position at 31 December 2025 is capitalised software development relating to the QANOTIX product, amounting to \$576,277. This balance has remained unchanged since 30 June 2025.

As disclosed in the 30 June 2025 audit report, management is of the opinion that the carrying amount of the software work in progress is appropriate and does not require impairment. However, we were unable to obtain sufficient appropriate evidence in the form of cash flow forecasts and financial projections to support the recoverability of this asset at 30 June 2025.

No additional evidence has been provided during our review for the half-year ended 31 December 2025. Accordingly, we remain unable to obtain sufficient appropriate review evidence to support the carrying value of this intangible asset. Consequently, we are unable to determine whether any adjustment to this amount is necessary.

## **Basis for Qualified Conclusion (continued)**

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's responsibilities for the review of the half-year financial report* section of our report.

We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including independent Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

## **Emphasis of Matter – Going Concern**

We draw attention to Note 1 (c) in the half-year financial report, which indicates that the Group has incurred a net loss of \$31,444 for the period ended 31 December 2025 (31 December 2024: \$114,058 loss) and as at 31 December 2025 the Group had net tangible liabilities of \$259,430 (30 June 2025: net tangible liabilities of \$107,569) and current liabilities exceeded current assets by \$157,000 (30 June 2025: net deficiency of current assets of \$112,059). As stated in Note 1(c), these events or conditions indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. The Group's ability to continue as a going concern is dependent upon the continued financial support of Rainrose Pty Ltd. Our conclusion is not modified in respect of this matter.

## **Responsibilities of the Directors for the Half-Year Financial Report**

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

## **Auditor's Responsibility for the Review of the Half-Year Financial Report**

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2025 and of its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

### **Auditor's Responsibility for the Review of the Half-Year Financial Report (continued)**

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
