ACQUISITION UPDATE

On 11 February 2026, Crigen Resources Limited (“Crigen”, “Company”) announced the signing of a conditional letter of offer with the owners of an Australian based business comprised of a number of company owned and operated wellness centres in Australia and New Zealand (“WellnessCo”).

Crigen are delighted to announce that the Company has now signed a share sale agreement subject only to the provision of acceptable financing for the purchase.

Until the completion of the transaction, for both legal and commercial purposes, Crigen remains bound by confidentiality restraints.

WellnessCo has a well-credentialed and highly innovative management team which we believe has scope to expand the business over time, through both organic and inorganic growth.
