

ENDLESS SOLAR CORPORATION LIMITED

ACN: 122 708 061

NATIONAL STOCK EXCHANGE CODE: ESCLV

DATE OF ANNOUNCEMENT: 18th September 2026

Dear Shareholders,

This announcement is to correct the spelling error in the NSX announcement dated 24th January 2025.

In the original announcement, it is stated:

“The Board of Directors of Endless Solar Corporation Limited (ESC) is pleased to announce that pursuant to the MOU signed with Mr Norm Anderson 10 million options over ESCLV shares have been granted to his company (Thermal Energy Investments Pty Ltd) The options are exercisable on or before 20 June 2030 at 14 cents per option.”

The correct announcement should be:

“The Board of Directors of Endless Solar Corporation Limited (ESC) is pleased to announce that pursuant to the MOU signed with Mr Norm Anderson 10 million options over ESCLV shares have been issued to his company (Thermal Energy Investments Pty Ltd) The options are exercisable on or before 20 June 2030 at 14 cents per share.”

The correction is made to be in line with the MOU signed by Mr Norm Anderson.
