As part of an ongoing review of our operating model, the Board has implemented changes to the executive structure of the company. These changes are designed to ensure the organisation remains well-positioned to meet its governance, compliance and strategic responsibilities within the evolving Community Bank framework. As a result, the CEO position has been made redundant.

The Board thanks Kate Wakeling for her contribution and commitment to the company and wishes her every success for the future.

The company remains focused on delivering strong outcomes for customers, shareholders, staff and the communities we serve.

Yours faithfully
