21 February 2013

**Telezon Directors well-received in India, as part of  
Super Trade Mission with Victorian Government**

---

**HIGHLIGHTS:**

- **Directors pleased with feedback from recent Trade Mission to India**

---

At the end of January 2013, Telezon Directors, Dr Michelle Carr and Ms Elaine Carr joined the Victorian Life Science delegation of the Super Trade Mission to India, organised by the State Government of Victoria. During the Trade Mission, the Directors attended two significant Life Science conferences in India – BioAsia 2013, Hyderabad <http://bioasia.in/> and Bangalore India Bio 2013 <http://www.bangaloreindiabio.in/BIO2013/index.php>, along with several beneficial business meetings throughout the country.

Dr Michelle Carr and Ms Elaine Carr reported that they were very pleased with how well the Company and its products were received throughout their visit and that Telezon continued to pique the interest of a market that presents significant opportunity for the Company. The Directors established several business contacts in key medical hubs such as Hyderabad, Bangalore and Mumbai and visited the sites of their existing partners in Delhi (HMD) and Pune (Serum Institute).

The Directors look forward to pursuing several commercial prospects following their return from a successful trip.
