### Telezon's Unique & Valuable Family of Patents Continues to Grow

---

#### HIGHLIGHTS:

- **Japan Patent Office issued a decision to grant "Needle Tip" Patent**
- 

The Board of Telezon Limited would like to report that the Japan Patent Office has issued a decision to grant a patent for SSB Technology's "needle tip" invention (2009-541689). This patent extends SSB's unique and valuable IP portfolio to cover further aspects of its method for gas-assisted manufacturing of polymeric needles. The patent will be effective until 2027. Corresponding applications are under examination in USA, China, India, and Europe.
