Commercial Order Complete for Serum Institute of India (SII)

HIGHLIGHTS:

- **Final batch of SoloFlow® (300,000 units) shipped to SII for use in vaccine kits**

The Board of Telezon is pleased to inform the market that it has now successfully shipped the final batch of 300,000 SoloFlow® needles to Serum Institute of India (SII), completing the first commercial order for the company. These needles will be used in SII's vaccine kits for the world market.
