## Supply Agreement Signed Between Wolfe Tory Medical & Telezon Ltd

---

### HIGHLIGHTS:

- **Telezon approved to supply SoloFlow® to Wolfe Tory Medical (part of Teleflex)**

---

The Board of Telezon® Limited ("Telezon") is pleased to announce that Wolfe Tory Medical Inc. ("Wolfe Tory"), a Teleflex Inc. company ("Teleflex"), has approved Telezon for the supply of SoloFlow® cannula.

Teleflex is a global provider of specialty medical devices in over 150 countries. Over the last two years, it has actively acquired companies with complementary & supplementary medical device portfolios. In 2013, Teleflex acquired LMA, a company that had previously acquired Wolfe Tory (2011). For the half-year ended 31 December 2013, Teleflex reported **revenues of USD\$1.7 billion**<sup>1</sup>.

Mr Trevor Nye, Chairman of Telezon, commented, "*Our SoloFlow® cannula is just one of the unique polymer products that can be produced from our revolutionary CoreIT® Advanced Moulding Technology. Not only have we received multiple orders for our SoloFlow® needle from India, we now have another major global player - in Teleflex - placing us on their approved supplier list. This is a significant, and highly encouraging, event for Telezon as we establish ourselves in the medical device & technology space. We look forward to keeping the market updated as this relationship progresses.*"

The Board of Telezon is looking forward to building on this exciting new relationship and exploring future opportunities for mutual benefit.

For and on behalf of Telezon Limited,

Dr Michelle Carr  
Director & Co. Secretary
