Note 6. Fair Value Measurement

Some of the company's assets and liabilities are measured at fair value for financial reporting purposes. The board of directors determine the appropriate valuation techniques and inputs for fair value measurements.

Fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly
- Level 3 inputs are unobservable inputs for the asset or liability.

In estimating the fair value of an asset or a liability, the company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the company engages third party qualified valuers to perform the valuation.

To provide an indication about the reliability of the inputs used in determining fair value, the applicable assets and liabilities have been classified into the three levels prescribed under the accounting standards, as outlined above.

At 31 December 2015	Level 1	Level 2	Level 3	Total
	\$	\$	\$	\$
Recurring fair value measurements:				
Available-for-sale financial assets				
Listed investments:				
- shares in listed corporations	307,035	-	-	307,035
Total assets at fair value	<u>307,035</u>	<u>-</u>	<u>-</u>	<u>307,035</u>

At 30 June 2015	Level 1	Level 2	Level 3	Total
	\$	\$	\$	\$
Recurring fair value measurements:				
Available-for-sale financial assets				
Listed investments:				
- shares in listed corporations	258,956	-	-	258,956
Total assets at fair value	<u>258,956</u>	<u>-</u>	<u>-</u>	<u>258,956</u>

There were no transfers between Level 1 and Level 2 during the reporting period. The company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

Independent auditor's review report to the members of North Ryde Community Finance Limited

Report on the half-year financial report

We have reviewed the accompanying half-year financial report of North Ryde Community Finance Limited, which comprises the balance sheet as at 31 December 2015, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

Directors' responsibility for the half-year financial report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with the Auditing Standard on Review Engagements ASRE 2410: Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the company's financial position as at 31 December 2015 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.

As the auditor of North Ryde Community Finance Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

Our review did not involve an analysis of the prudence of business decisions made by directors or management.

Independence

In conducting our review we have complied with the independence requirements of the *Corporations Act 2001*.

Auditor's opinion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of North Ryde Community Finance Limited is not in accordance with the *Corporations Act 2001* including:

- a) giving a true and fair view of the company's financial position at 31 December 2015 and of its performance for the half-year ended on that date
- b) complying with Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001.
