INTERIM FINANCIAL REPORT FOR THE HALF-YEAR ENDED 31 DECEMBER 2015

DIRECTORS' REPORT

Your directors submit the financial report of the company for the half-year ended 31 December 2015. In order to comply with the provisions of the *Corporations Act 2001*, the directors report as follows:

Directors

The directors who held office during or since the end of the half-year are:

Steven Shane Pritchard

Giles Cameron Craig

Frederick Raymond Woollard

Gordon Bradley Elkington

Review of Operations

The company incurred a net loss after tax for the half-year ended 31 December 2015 of \$169,429.

\$117,767 of this loss was as a result of the company equity accounting its share of the results of Asset Resolution Limited in which the company holds a 6.3% interest.

As at 31 December 2015 the company held \$2,068,222 in cash, 6.3% of Asset Resolution Limited ("ARL") and had no borrowings.

During the period we launched a campaign to replace ARL's board with our nominees. We are pleased that our nominees, including Giles Craig and Fred Woollard, directors of Hamilton Securities Limited, were elected to the ARL board on 11 September 2015.

ARL's assets are primarily cash of about \$12m and debts owed by a company called Octaviar. Our purchase of ARL shares cost us about half of ARL's estimated underlying asset value. We regard this as an attractive investment for Hamilton.

The ARL directors have stated that they are looking at new investments for ARL and intend to apply to list ARL's shares on the Australian Stock Exchange.

Like ARL, we too are looking for good investments but have not found anything new to buy. Recent falls in share markets are helpful to companies like ARL and Hamilton with lots of cash to invest. Ideally, we would like to do a takeover bid or merger that would be beneficial to Hamilton shareholders and allow our company to grow. Unfortunately, we do not currently have any targets in sight.

We bought back 21,900 Hamilton shares during the half and have resumed buying back shares in 2016. These purchases are designed to provide an exit mechanism for those who wish to sell their shares, while slightly boosting net asset value per share for those shareholders who do not sell.

Auditor's Declaration

The lead auditor's independence declaration under section 307C of the Corporations Act for the half-year ended 31 December 2015 is set out on page 2.

This report is signed in accordance with a resolution of the Board of Directors.

Interim Financial Report

NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2015

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation of the Condensed Financial Statements

The half-year financial report is a general purpose financial report prepared in accordance with the *Corporations Act 2001*, Australian Accounting Standard AASB 134: Interim Financial Reporting, Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board. Compliance with AASB 134 ensures compliance with International Financial Reporting Standards IAS 34 Interim Financial Reporting. The half-year report does not include notes of the type normally included in an annual financial report and must be read in conjunction with the most recent annual financial report.

The condensed financial statements have been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in the company's 2015 annual financial report for the financial year ended 30 June 2015, except for the impact of the Standards and Interpretations described below. These accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards.

The company has not applied any Australian Accounting Standards or AASB interpretations that have been issued at balance date but are not yet operative for the half year ended 31 December 2015 ("the inoperative standards"). The impact of the inoperative standards has been assessed and has been identified as not being material. The company only intends to adopt inoperative standards at the date at which their adoption becomes mandatory.

The adoption of the various Australian Accounting Standards and Interpretations in issue but not yet effective will not impact the company's accounting policies. However, the pronouncements will result in changes to information currently disclosed in the financial statements. The company does not intend to adopt any of these pronouncements before their effective dates.

Auditor's responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Australian Auditing Standard on Review Engagements ASRE 2410 Review of Interim Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2015 and its performance for the half-year ended on that date; and complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the *Corporations Act 2001*. As the auditor of Hamilton Securities Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
