- Sponsorship of the PCA Capital Market Seminar Series -

Australian listed crowdfunding platform CoAssets Limited ("CoAssets" or the "Company") (NSX code: CAX), is pleased to inform shareholders that it is sponsoring one of the Property Council of Australia's (PCA) most well-regarded thought leadership forum, the *Capital Market Seminar Series*.

The Capital Markets Seminar Series has an established senior-level audience representing real estate investment trusts, investors and high net worth individuals. CoAssets sees the partnership as a great way to reach out to the Australian property audience, increase the awareness of real estate crowdfunding, and raise the visibility of its Australian crowdfunding platform.

The series comprises three morning forums to be held at the Establishment Ballroom in George Street Sydney, between May and November 2016. The first forum in the series, to be held on 18 May 2016, will focus on property fundamentals, interest rates, cost of funds and what is driving the Australian market. The distinguished panel members for this forum include Paul Heller, Former Head of Blackstone Real Estate Australia, Su-Lin Ong, Managing Director and Head of Economics & Fixed Income Strategy at RBC Capital Markets and Adrian Taylor, Head of Office at Charter Hall.

"The Capital Market Seminar Series, is one of the highlights of the year for our members and we are delighted that CoAssets have come on-board as one of only two sponsors", said Jane Fitzgerald, NSW Executive Director at Property Council Australia. "Our Capital Markets Committee meets regularly to develop content for the series to ensure it keeps the attendees informed on how our sector works and connects them to our aligned partners. It is also a forum to educate investors on the benefits of investing in real estate, through traditional and non-traditional means."

Commenting on the sponsorship of this series, CEO of CoAssets, Mr Getty Goh said: "We see the Property Council of Australia as a key industry body and a thought leader in one of Australia's most important business sectors."
