**INDEPENDENT REVIEW REPORT
TO THE MEMBERS OF
AUGUSTA & DISTRICTS COMMUNITY FINANCIAL SERVICES LIMITED**

Scope

The financial report and directors' responsibility

The financial report comprises the balance sheet, income statement, statement of changes in equity and cash flow statement, accompanying notes to the financial statements, and the directors' declaration for Augusta & Districts Community Financial Services Limited (the company), for the half-year ended 31 December 2005.

The directors of the company are responsible for preparing a financial report that gives a true and fair view of the financial position and performance of the company, and that complies with Accounting Standard AASB 134 "Interim Financial Reporting", in accordance with the Corporations Act 2001. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Review approach

We conducted an independent review of the financial report in order to make a statement about it to the members of the company, and in order for the company to lodge the financial report with the Bendigo Stock Exchange and the Australian Securities and Investments Commission.

Our review was conducted in accordance with Australian Auditing Standards applicable to review engagements, in order to state whether, on the basis of the procedures described, anything has come to our attention that would indicate that the financial report is not presented fairly in accordance with the Corporations Act 2001, Accounting Standard AASB 134 "Interim Financial Reporting" and other mandatory financial reporting requirements in Australia, so as to present a view which is consistent with our understanding of the company's financial position, and of its performance as represented by the results of its operations and cash flows.

A review is limited primarily to inquiries of company personnel and analytical procedures applied to the financial data. These procedures do not provide all the evidence that would be required in an audit, thus the level of assurance is less than given in an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Independence

We are independent of the company, and have met the independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001. We have given to the directors of the company a written Auditor's Independence Declaration, a copy of which is included in the Directors' Report.

Statement

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the financial report of Augusta & Districts Community Financial Services Limited during the half-year is not in accordance with:

- (a) the Corporations Act 2001, including:
 - (i) giving a true and fair view of the financial position of the company at 31 December 2005 and of its performance for the half-year ended on that date; and
 - (ii) complying with Accounting Standard AASB 134 "Interim Financial Reporting" and the Corporations Regulations 2001; and
- (b) other mandatory financial reporting requirements in Australia.

AUGUSTA & DISTRICTS COMMUNITY FINANCIAL SERVICES LIMITED
DIRECTORS' DECLARATION

The directors of the company declare that:

- 1) The financial statements and notes set out on pages 6 to 16 are in accordance with the Corporations Act 2001, including:
 - (a) comply with the Accounting Standard AASB 134: Interim Financial Reporting and the Corporations Regulations 2001;
 - (b) give a true and fair view of the Company's financial position as at 31 December 2005 and of its performance, as represented by the results of its operations and cash flows for the half-year ended 31 December 2005.
- 2) At the date of this statement there are reasonable grounds to believe that the company will be able to pay its debts when they become due and payable.

This statement is made in accordance with a resolution of the Board of Directors.

AUGUSTA & DISTRICTS COMMUNITY FINANCIAL SERVICES LIMITED

NOTES TO THE FINANCIAL STATEMENTS For the half-year ended 31 December 2005

1. STATEMENT OF ACCOUNTING POLICIES

(a) Basis of Preparation

The half year financial statements are a general purpose financial report prepared in accordance with the requirements of the Corporations Act 2001, Australian Accounting Standards AASB 134: Interim Financial Reporting, Urgent Issues Group Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board.

It is recommended that this financial report be read in conjunction with the annual financial report for the year ended 30 June 2005 and any public announcements made by the Company during the half-year in accordance with continuous disclosure requirements arising under the Corporations Act 2001.

As this is the first interim financial report prepared under Australian equivalents to IFRS, the accounting policies applied are inconsistent with those applied in the 30 June 2005 financial report as this report was presented under previous Australian GAAP. Accordingly, a summary of the significant accounting policies under Australian equivalents to IFRS has been included below. A reconciliation of equity and profit and loss between previous GAAP and Australian equivalents to IFRS has been prepared per Note 2.

The half year report does not include full disclosures of the type normally included in an annual financial report.

(b) Income tax

The charge for current income tax expenses is based on the profit for the year, adjusted for any non-assessable or disallowed items. It is calculated using tax rates that have been enacted or are substantively enacted by the balance sheet date.

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset. Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised.

The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the Company will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

AUGUSTA & DISTRICTS COMMUNITY FINANCIAL SERVICES LIMITED

NOTES TO THE FINANCIAL STATEMENTS

For the half-year ended 31 December 2005

1. STATEMENT OF ACCOUNTING POLICIES (Cont.)

(c) Property, plant and equipment

Property, plant and equipment are brought to account at cost, less, where applicable, any accumulated depreciation and impairment losses.

The carrying amount of property, plant and equipment is reviewed annually by Directors to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employed and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amount.

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, are depreciated over their useful lives commencing from the time the asset is held ready for use. Properties held for investment purposes are not subject to a depreciation charge. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

<i>Class of fixed asset</i>	<i>Depreciation rate</i>
Plant and equipment	20%

(d) Intangible assets

Under AASB 138: Intangible Assets, formation costs must be expensed. Under the new policy, all formation costs will be written off as incurred. All formations costs have been adjusted against opening retained earnings as at 1 July 2004.

(e) Cash Flow Statement

For the purposes of the cash flow statement, cash includes cash on hand and in banks and investments in money market instruments, net of outstanding bank overdraft.

(f) Employee benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the Company to the employee superannuation funds and are charged as expenses when incurred.

AUGUSTA & DISTRICTS COMMUNITY FINANCIAL SERVICES LIMITED

NOTES TO THE FINANCIAL STATEMENTS

For the half-year ended 31 December 2005

1. STATEMENT OF ACCOUNTING POLICIES (Cont.)

(g) Revenue

Revenue from the provision of banking services is recognised upon the delivery of the services to customers.

Interest income is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

(h) Impairment of assets

At each reporting date, the Company reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(i) Goods and Services Tax ("GST")

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

(j) Comparative figures

Where required by Accounting Standards, comparative figures are adjusted to conform with changes in presentation in the current financial year.
