Telco chief announces key appointment

Bendigo Community Telco today announced the appointment of Peter Bowman as its new General Manager of Finance.

Chief Executive Phil Lazenby said, "It's a real pleasure to welcome Peter on board, knowing that his vast skills and experience will be a big plus for our business."

Mr Lazenby also acknowledged Mr Bowman's contributions to the Bendigo business community saying, "Over Peter's 18 years of experience, he has held accounting and finance positions with key local organisations including Bendigo and Adelaide Bank, North Central Catchment Management Authority and RegionalOne Credit Union."

An integral part of the senior management team at RegionalOne Credit Union for over eight years, Mr Bowman played a key role in the success of the organisation over that period.

Mr Bowman said, "I am delighted to be appointed by Bendigo Community Telco, and look forward to the challenge of helping grow what is an already successful local company."

Having lived in the Bendigo region for most of my life, I am proud to be part of a local company that has such a big focus on not only providing great service but also in supporting its community."
