Bus ride to a new world - Belmore School bus

The world is now a magical place for students from Balwyn's Belmore Special School.

A \$55,000 contribution by Canterbury Ashburton and Surrey Hills Bendigo Bank branches enabled the school to buy a 'custom fitted' bus.

Now up to 7 students with their wheelchair, teachers and aides can be transported in air conditioned comfort, to experience an outside world that most of us take for granted.

"Our children can now capitalise on their skills their learning in the classroom and build independence by generalizing their skills in community settings"

Belmore School Principal Joan Anson. said "Our families really appreciate our partnership with the Canterbury, Ashburton and Surrey Hills Bendigo Bank branch branches."

Raising future champions Lynden Park Sports Ground Pavillion

Junior 'Sharks' and 'Bulls' are set to become the AFL and Cricket Australias future champions!

Canterbury, Ashburton and Surrey Hills Community Bank branches supplied sponsorship funding of \$110,000.00 over 10 years to assist Boroondara Council in its renovation and enlargement of Lynden Park Pavilion.

Home to the Camberwell Junior Football Club (The Sharks) and Burwood Uniting Canterbury Cricket

Club (The Bulls), Sharks President, Peter Davey commented that Lynden Park Sports Ground is now one of the states foremost sporting grounds.

"The new pavilion provides the ideal environment from which to encourage community participation and importantly, attract talented young players. This project has provided an enduring piece of community infrastructure that will serve park users for decades to come."

Sponsorship incites Old Trinity's first victory of the season

Back in the top league, Old Trinity faced tough competition in their first match against Marcellin. Sponsorship funding of \$3,000.00 and a huge Community Bank banner helped spur Old Trinity on to victory.

The team is keen and Canterbury, Ashburton and Surrey Hills Community Bank branches will roll out the banner for the next home match to inspire the boys to victory.

THIS PIG IS FLYING!

Community groups in Boroondara are reporting increased sightings of an overgrown pig! To delight crowds of kids and adults, Canterbury, Ashburton and Surrey Hills Community Bank branches have been 'bringing on the pig'.

Festivals, school fairs, branch birthday celebrations and even newspaper photo shoots have all been attended by the Bendigo Bank's over active "Piggy".

Now that "Piggy" has been let loose in the community, he's looking for more exposure. So if your organisation has an event 'fit for a Pig', call in to one of our branches and ask how you can invite a performing pig to your party.
