Your local **Community Bank**<sup>®</sup>  
branch pays further dividends for  
shareholders and community

**Inverloch, Thursday 1<sup>st</sup> September 2011:**

Inverloch & District Financial Enterprises Limited (IDFEL), which owns and operates the Inverloch & District **Community Bank**<sup>®</sup> Branch, will pay shareholders an eight cent fully franked dividend for the 2010/2011 Financial Year.

Chairman of IDFEL, Alan Gostelow, said the Company was thrilled to be able to pay a further dividend to its loyal supporters who helped the **Community Bank**<sup>®</sup> branch get up and running initially.

"I'm very pleased to be able to continue the practice of recent years to give something back to our shareholders," Mr Gostelow said.

"Without their financial and moral support our community would not have its own **Community Bank**<sup>®</sup> branch, which can now return money not only to shareholders but also to local community groups and organisations."

Inverloch & District **Community Bank**<sup>®</sup> Branch Manager, Jackie Laurie, said the branch continues to perform strongly with more than \$70 million in banking business and over 2800 accounts.

"We have seen tremendous growth since the branch first opened, and this is bringing huge rewards for local people and early indications are that this financial year will be another positive one for the branch," Ms Laurie said.

Since establishment, the Inverloch & District **Community Bank**<sup>®</sup> Branch has contributed in excess of \$200,000 including support for the:
