

**Negotiations with Wedderburn community representatives**

Inglewood & Districts Community Enterprises Ltd is currently in negotiations with representatives of the Wedderburn & Districts community with a view to establishing a sub-branch of the Inglewood & Districts Community Bank<sup>®</sup> in Wedderburn. A successful outcome to these negotiations would bring significant benefits to the Wedderburn community and the growth of the Inglewood & Districts Community Bank<sup>®</sup>.

These negotiations are expected to take some time and if successful, a sub-branch would in all probability not be established until some time in 2012.

The market will be kept informed of significant developments.
