## Message from the Chairman

It has been another busy quarter for the Board and staff of Logan **Community Bank®** Group.

As Chairman, I am always surprised at the level of support we provide to many organisations in the Logan community.

This quarter saw us provide funding for "Big Day Out for people with disabilities." This was an amazing day and to see the enthusiastic participants have a great time and really enjoy the whole experience of the day is something that really warms my heart. Please read further on for more stories about the wonderful support we provide to the Logan community.

It is my pleasure to welcome Michael Wardlaw and Melissa Hockey, who have recently been appointed to the Logan Community Financial Services Limited Board.

Michael moved to Shailer Park in 1979 when wildlife was abundant throughout the area, Logan Road was the route into town and the Hyperdome wasn't even a plan on paper.

Over the years, Michael has seen much change and improvement to the area and now lives in Tanah Merah with his wife Cathy and sons Angus and Alister. Logan is an ideal place to raise children with all the parks, great schools, facilities and affordable housing.

Michael began his career in real estate in 1995 following in the footsteps of his father. Michael now shares the role of Office Principal with his brother Neil.

Michael enjoys spending his spare time with family and working closely with CareFlight Rescue doing fundraising and volunteer work.

Melissa was raised in Logan and attended Kingston College. After completing a Bachelor of Arts in Politics and Government, Melissa was inspired to take a

more active role in representative bodies and as a result, she participated in a number of youth programs including the Queensland Youth Council. Melissa now works in a project and policy role within the public service.

Michael and Melissa's focus will be on the performance of the banking business of the Company, they are also passionate about contributing to the good work of the Company, through supporting our community.

Our Annual General Meeting will be held on Monday 7 November 2011 and I would encourage you all to come along and meet our Board of Directors and staff, as well as hear from some of the community groups and organisations that have received our support and what it has meant to them.

I look forward to meeting you then.

**Colin Nelson**  
**Chairman**

## Big Day Out for people with disabilities

Logan **Community Bank**® Group were proud to support and fund the “Big Day Out for people with disabilities”. It offers the disabled community of Logan a FREE day out to compete in team activities which they would not normally get to experience.

About 18 teams which consisted of more than 400 participants including carers enjoyed the day which started with a traditional march past, then mini Olympic style activities followed by lunch, presentations and finally the disco which was a huge hit.

“The day would not happen without the help and support of Logan **Community Bank**® Group” says Merrin McCullough, Keystone Community Services. “The community service groups look forward to this day and ask regularly throughout the year when the next Big Day Out is on - it is something that they really looked forward to”.

Logan **Community Bank**® Group have been involved in this wonderful event since its inception some six years ago and plans are already underway for next year's event which will be held on Tuesday 22 May 2012. If you would like to become involved please contact us on 3208 2611.

## Traditional Shotokan Karate-do Federation of Australia (TSKF)

The staff at Beenleigh **Community Bank**® Branch had the pleasure of assisting a local traditional Shotokan Karate-do Federation of Australia (TSKF) with financial support to purchase floor mats for team training.

This small Beenleigh group of about 20 members ranging from 8 to 40 years train at a local school in their undercover area during the evening. Our generous sponsorship has now made it possible for the group to practice safely without landing on concrete as had happened before our support.

The group was very happy to receive our assistance and the kids were more than happy to stand and have photos with the presentation cheque. Once the presentation and photos were over, the group went straight back into training, and were extremely focused and disciplined.

## Mater Little Miracle's Bingo Night

Each year, all Bendigo Bank branches in Queensland fundraise to support the Mater Little Miracles Easter Appeal.

By showing our support, we are helping staff at the Mater Children's Hospital care for thousands of injured and seriously ill babies and children from all over Queensland and Northern NSW. Mater Children's Hospital provides care to thousands of children each year and has the busiest pediatric emergency department in Queensland.

On Thursday 5 May 2011 Springwood **Community Bank**® Branch held a fundraising Bingo Night at Club Rochedale (the home of Rochedale Rovers Football Club), Underwood Park. A big thank you goes to Club Rochedale for kindly donating the use of their function room for the event.

Our night was a resounding success with more than 100 attendees who all had a great time and have already asked to be invited to our next one.

There was a multitude of raffle and spot prizes as well as the chance to win a bingo prize along the way. All proceeds went to the appeal and overall we raised \$4,000.

We would like to thank all of the generous local businesses who were able to donate raffle prizes and all the attendees as we couldn't have done it without you.

Due to the enormous success we have already booked next year's Bingo Night which will be held on Friday 9 March 2012 at the Tudor Park PCYC, Clarks Road, Loganholme. If you would like further information or to book a ticket, please contact Donna or Joni at Springwood **Community Bank**® Branch on 3208 2611.

Good for  
**AND** your  
community

## Browns Plains Rugby Union Club

Browns Plains **Community Bank**® Branch was happy to provide sponsorship to the Browns Plains Rugby Union Club for the 2011 Rugby Union season.

The club has more than 250 members and is very active in the Logan community.

The Browns Plains Rugby Club intend to use these much needed funds to help promote the game by attending local schools and community groups and by interacting with the youth of Browns Plains.

The funds will also assist with the running of rugby clinics and help fund the 7's tournament which was held in September at the Browns Plains Rugby Union playing fields on Browns Plains Road, Browns Plains.

Branch Manager, Scott Northfield and his team are proud to support such a community minded club and look forward to offering more support in the future.
