THE METROPOLITAN COLLECTION - BRISBANE DIRECT PROPERTY INVESTMENT INTERIM MANAGER'S REPORT

I am pleased to present the Interim Report of The Metropolitan Collection – Brisbane Direct Property Investment ("the Fund") for the six months ending 31 December, 2001 ("the Period").

Review of Operations

The Fund's current operational issues are as follows:-

- Anzac Square Property: As alluded to in the last Annual Report, Energex have now signed documentation for an extension of their lease of three floors by a further four years through to June, 2008. As part of this transaction, the Fund has agreed to a surrender of Energex's lease of one floor out of their four (4) floors. One half of this surrendered floor has now been leased to MacGillivrays, Solicitors (the tenant already occupying level 2) through to 30 April, 2006 (contemporaneous with their level 2 lease). There is a focus by ourselves as Manager to secure a tenant for the remaining half a floor. The Directors believe that as a consequence of these transactions there has been an overall benefit to the Fund and an increase in value. A valuation is currently being finalised.
 - As also alluded to in the last report a tenant has been secured on a seven year lease for the property's heritage corridor for the use as a coffee shop. It is considered that this transaction will result in an increase of value of at least \$200,000 given that the space was originally valued as storage space.
- ▲ Coorparoo Property (The Precinct): There has been little activity of any reportable significance occurring on this property.
- ▲ MacGregor Property: A development approval for a revised development concept for this site issued in October, 2001. Unfortunately the tragic events of September 11 caused some key tenants with whom discussions had been proceeding for some time to be not prepared to commit to the development during the crucial period immediately post-September 11.
 - Around this time, attractive offers were received from JB HiFi and Furniture Direct to take 10 year leases of the former Chandlers building. These offers were of such a nature that justified the retention of the former Chandlers building (which was to be demolished under the development approval). Refurbishment works to accommodate the needs of these two tenants have been carried out at a cost of approximately \$480,000. The refurbishment works and the introduction of these two tenants has had a positive impact on the presentation and appeal of the former Chandlers building and the entrance to the property generally.
- ▲ Property Management: After receiving a number of submissions over recent months, relating not only to The Metropolitan Collection properties but other properties under our funds management, Knight Frank have been selected as the new property manager for the properties of the Fund.

Financial Results

After deductions for accounting depreciation and other non-cash items, the Syndicate had an accounting loss of \$265,929 for the Period. Similarly, the Trust had an accounting loss of \$121,499 for the Period.

Distributions for the period ended 31 December, 2001

Distributions for the period equated to a yield of 9.7%p.a. on the capital subscribed by investors.

Administrative Issues

The Accountant providing assistance in the finalisation of accounts and taxation services to the Fund has changed to BDO Kendalls.

We have reviewed the Interim Financial Report of The Metropolitan Collection - Brisbane Syndicate for the half year ended 31 December 2001 as set out on pages 1 to 5. The Directors are responsible for the interim financial report. We have performed an independent review of the Interim Financial Report in order to state whether, on the basis of the procedures described, anything has come to our attention that would indicate that the Financial Report is not presented fairly in accordance with Accounting Standard AASB1029: Interim Financial Reporting and other mandatory professional reporting requirements, and statutory requirements so as to present a view which is consistent with our understanding of the syndicate's financial position, and performance as represented by the results of its operations and its cash flows, and in order for the syndicate to lodge the interim financial report with the Australian Securities and Investment Commission.

Our review has been conducted in accordance with Australian Auditing Standards applicable to review engagements. A review is limited primarily to inquiries of syndicate personnel and analytical procedures applied to the financial data. These procedures do not provide all the evidence that would be required in an audit, thus the level of assurance provided is less than given in an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Statement

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year interim financial report of The Metropolitan Collection - Brisbane Syndicate is not in accordance with:

- (a) the Corporations Act 2001, including:
 - (i) giving a true and fair view of the syndicate's financial position as at 31 December 2001 and of its performance for the half-year ended on that date; and
 - (ii) complying with Accounting Standard AASB1029: Interim Financial Reporting and the Corporations Regulations; and
- (b) other mandatory professional reporting requirements.
