

Annual General Meeting – 20th November 2006

Good morning, and thank you for your attendance.

Today is a special day as we celebrate another milestone, our first Annual General Meeting.

As Clyde has mentioned, business has been steadily growing since our opening almost twelve months ago. We have laid the foundations for a successful business – our challenge is now ensuring future growth.

As many of you are already customers you are aware of our product range. All I ask is that when you think banking - you think Rosewood & District **Community Bank[®]** Branch.

We would love the opportunity to assist you, your family and friends - to meet their financial goals. At the end of the day you are not only receiving a banking product, you are helping our town grow and prosper.
