Independent Review Report to the Members of Rosewood & District Financial Services Limited

Scope

We have reviewed the accompanying financial report of Rosewood & District Financial Services Limited comprising the balance sheet, income statement, statement of changes in equity, cash flow statement, accompanying notes 1-4 to the financial statements and the directors' declaration for the entity for the half-year ended 31 December 2007.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the interim financial report in accordance with Australian Accounting Standards and the Corporations Act 2001. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the interim financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the interim financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of an Interim Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the interim financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the company's financial position as at 31 December 2007 and its performance for the half-year ended on that date; and complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As auditor of the company, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of an interim financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

While we considered the effectiveness of management's internal controls over financial reports when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls. Our review did not involve an analysis of the prudence of business decisions made by directors or managers.

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the interim financial report of Rosewood & District Financial Services Limited is not in accordance with Corporations Act 2001, including:

- i. giving a true and fair view of the entity's financial position as at 31 December 2007 and of its performance for the half-year ended on that date; and
- ii. complying with Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Regulations 2001.
