

Visit the Rosewood & District Community Bank® Branch in the coming weeks and ask to speak with the Manager & you might get more than you bargained for!

Long term Branch Manager Amy Clem is expecting her first child with husband Chris and will commence Maternity leave on the 24<sup>th</sup> July.

To assist with the transition period new Branch Manager Anita Carpenter started in the branch this week. So for 4 weeks there will be two 'Managers' at the branch to assist with your queries!

Anita has worked for Bendigo Bank for xxx years. She started in the Ipswich Loans Processing Office but due to family commitments moved to Townsville xx years ago. During her time in Townsville she continued to work for the Bank within the Business Banking section. This has enabled Anita to gain extensive knowledge in this area.

"I am excited about moving back to the Ipswich area but in particular having the opportunity to work for a Community Bank. I have worked with Community Banks in the Townsville area and understand the important role in their community. I am looking forward to getting to know our customers and shareholders and invite anyone to pop into the branch to meet me" Anita said.

Outgoing Manager Amy said she would like to thank the community for their support while working at the branch. She has applied for 12 months maternity leave, but is unable to commit at this stage whether she will return to Rosewood after this.

"While I am very excited about becoming a Mum a little bit of me is sad to leave the branch. Working in Rosewood has been a rewarding experience for me. I have faith in Anita & the remaining team though that Rosewood & District Community Bank will continue to prosper".
