Victorian Livestock Exchange Limited (VLE) Company Announcement

New board member:

Mr. Brian Rodwell has joined the board of the Victorian Livestock Exchange Limited.

Brian has a wealth of experience gleaned over a lifetime in the livestock market and agency business.

He commenced work as a teenager in eastern Victoria for Gippsland and Northern Limited and progressed to be lead auctioneer for various companies based at Newmarket before becoming the founder of the livestock agency "Rodwells". Brian sold his interest in "Rodwells" approximately seven years past and attempted to retire and he did leave the agency business but became committed to assisting the further development of the greater livestock agency industry by becoming the Southern Australian Co-ordinator of the Australian Livestock and Property Agents Association (ALPA). The rapid growth and strengthening of that organisation in southern Australia is testament to his abilities and efforts.

VLE is delighted to welcome Brian to its board table and looks forward to informed and vigorous discussion of the many issues facing VLE.

Graham Osborne
Managing Director
