DIRECTORS' REPORT

The Board of Directors of Rattoon Holdings Limited ('Rattoon') present the following report for the half-year ended 31 December 2004.

The names of the Directors in office at any time during or since the end of the half- year are:

Gordon Moffatt Hugh Henderson Michael Naphtali Hugh Robertson

2 REVIEW AND RESULTS OF OPERATIONS

During the six months to 31 December 2004 Rattoon continued to manage its existing investment portfolio and seek out additional investments in unlisted Australian entities.

The first investment of this nature was made in The Estate of the Late George Adams ("ELGA") which in turn owns the share capital of Tattersall's Holdings Pty Ltd ("Tattersall's"). Tattersall's is one of Australia's largest private enterprises with revenue of \$13.9 billion in the 2003 financial year. Rattoon has invested approximately \$7.6 million in the ELGA. Media reports have outlined the proposed listing of Tattersalls in 2005, however, the float proposal is still subject to a number of conditions precedent. The Board of Rattoon is actively reviewing the float proposal and will inform its shareholders and the Newcatle Stock Exchange as more information is obtained. It has also been reported in the press that Rattoon favours an in specie distribution of Tattersall's stock if and when Tattersalls lists on the ASX. The Directors of Rattoon are considering an in specie distribution of any Tattersall's shares it receives along with other options but as yet no decision has been made by the Board of Rattoon.

During the period, Rattoon successfully applied for shares in the listing of the Newcastle Stock Exchange ("NSX Limited") on the Australian Stock Exchange ("ASX"). NSX Limited operates Australia's second official stock exchange approved under Corporations Act in Australia. Rattoon has successfully applied for 1,000,000 shares at an offer price of 50 cents per share under the prospectus lodged by NSX Limited. Rattoon began investigations into an investment in NSX Limited while it was still an unlisted entity, however during NSX Limited's capital raising process the nature of the raising evolved into an initial public offering on the ASX. While investments in listed companies are not Rattoon's primary focus, the directors of Rattoon believe that the investment still met Rattoon's investment criteria of providing long-term capital growth for Rattoon's shareholders.

Rattoon also completed a shareholder top-up facility and small shareholding sale facility during the period enabling Rattoon's Shareholders to either acquire additional shares or to divest their shareholding. As the shareholder top-up facility and small shareholding sale facility was conducted onmarket, there was no change to the issued capital of Rattoon.

3 AUDITORS' INDEPENDENCE DECLARATION

A copy of the Auditors' Independence Declaration as required by Section 307C of the Corporations Act 2001 is set out in the following Report.

Signed in accordance with a resolution of the Board of Directors at Melbourne this 15th Day of March 2005.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS AT 31 DECEMBER 2004

NOTE 1: BASIS OF PREPARATION

The half year financial statements are a general purpose financial report that has been prepared in accordance with Accounting Standards AASB 1029: Interim Financial Reporting, Urgent Issues Group Consensus Views and other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations* Act 2001.

It is recommended that this financial report be read in conjunction with the annual financial report for the year ended 30 June 2004 and any public announcements made by Rattoon Holdings Limited during the half-year in accordance with continuous disclosure requirements arising under the *Corporations* Act 2001.

The accounting policies are consistent with those applied in the 30 June 2004 annual report.

The half-year report does not include full disclosures of the type normally included in an annual financial report.

1(a): IMPACT OF ADOPTING INTERNATIONAL FINANCIAL REPORTING STANDARDS

The Australian Accounting Standards Board (AASB) is adopting Australian equivalents to International Financial Reporting Standards (IFRS), for application to reporting periods beginning on or after 1 January 2005. The adoption of IFRS will be first reflected in the Company's financial statements for the half-year ending 31 December 2005 and the year ending 30 June 2006.

The Company is in the process of analysing the full impact of IFRS. The actual impacts will depend on the particular circumstances and conditions prevailing at the time of application of IFRS. For these reasons it is not yet possible to fully quantify the impact of the transition to IFRS on the Company. However based on work-to-date the following key impacts have been identified:

(a) Investment Portfolio to be Measured at Market Value

Under IFRS the investment portfolio will be revalued to fair market value continuously with all increments and decrements being included in Net Profit, whereas currently the investment portfolio is currently valued at the lower of cost and market value in aggregate.

This change may result in increased volatility in reported results for the investment portfolio.

(b) Income Tax Impact of Measuring Investment Portfolio at Market Value

Under IFRS, the Company will be required to recognise an additional tax asset or liability reflecting the deferred tax effect of measuring the investment portfolio at market value as described in (a) above. The additional deferred tax liability or asset on the investment portfolio will be reflected in income tax expense.

(c) Recognition of Deferred Capital Gains Tax on Investment Portfolio

Under IFRS, the Company must recognise an additional deferred tax liability amount for the capital gains tax payable on unrealised gains in the investment portfolio. This additional deferred tax liability is offset against the unrealized gains on the investment portfolio recognised in the Asset Revaluation Reserve of the Company.

INDEPENDENT REVIEW REPORT TO THE MEMBERS OF RATTOON HOLDINGS LIMITED ABN 16 076 611 268

Scope

The financial report and directors' responsibility

The financial report comprises the statement of financial performance, statement of financial position, statement of cash flows, accompanying notes to the financial statements, and the directors' declaration for Rattoon Holdings Limited ("the Company"), for the half-year ended 31 December 2004.

The directors of the company are responsible for the preparation and true and fair presentation of the financial report in accordance with the Corporations Act 2001. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Review approach

We conducted an independent review in order to state whether, on the basis of the procedures described, anything has come to our attention that would indicate that the financial report is not presented fairly in accordance with Accounting Standard AASB 1029 "Interim Financial Reporting" and other mandatory financial reporting requirements in Australia and the Corporations Act 2001, so as to present a view which is consistent with our understanding of the company's financial position, and performance as represented by the results of its operations and its cash flows, and in order for the company to lodge the financial report with the Australian Securities and Investments Commission.

Our review was conducted in accordance with Australian Auditing and Assurance Standards applicable to review engagements. A review is limited primarily to inquiries of the company's personnel and analytical procedures applied to the financial data. These procedures do not provide all the evidence that would be required in an audit, thus the level of assurance provided is less than that given in an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Independence

In conducting our review, we followed applicable independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001.

Statement

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Rattoon Holdings Limited is not in accordance with:

(a) the Corporations Act 2001, including:

Monvall Melbourse

- (i) giving a true and fair view of the company's financial position as at 31 December 2004 and of its performance for the half-year ended on that date; and
- (ii) complying with Accounting Standard AASB 1029 "Interim Financial Reporting" and the Corporations Regulations 2001; and
- (b) other mandatory financial reporting requirements in Australia.
