NEWCASTLE NSW 2500

Dear Mr Evans,

We would like to announce that SweepDri Limited products are to be featured on National TV Better Homes and Gardens Program for Network 7.

There will be two features shown, one on the product in use with Hebel Blocks and Panels, the second showing product being used for sealing brick pavers.

These features are scheduled to be filmed in early August 2004 and the planned screenings are September 2004.

This event came about from good relations being maintained between SweepDri Limited and CSR Hebel.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Anne Jensen'.
