Trent Capital Limited Supplementary Bidder's Statement in relation to takeover offer for Winpar Holdings Limited

Trent Capital Limited notes that the Second Supplementary Bidder's Statement lodged by it on 5 December 2003 contains a typographical error. The figure inserted in the NTA/share row of column 4 of table VIII should read "\$1.03".

This will be corrected in the replacement Bidder's Statement to be dispatched to holders of bid class securities.

Dated: 8 December 2003
